“ I just saw this, don't get a paper. Please let his son Wayne know I am so very sorry. Joe was a great guy, loved his hugs at church. Again, sorry for the lateness of my condolences.

“ I know Joe will be missed so much. He was a good friend to my mom, Clara Isbell. My family appreciated him and enjoyed his company a lot! We had good humorous times and laughed often with him. We will pray for him and his family.

“ I always referred to Joe as the "Genuine Comeback Kid" after his stroke a number of years ago. He bowled better than he had, he was as sharp witted as he ever was and had a kindness that showed through his smile. I bought my first brand new Suzuki from him in 1998 and persuaded my friend to buy the twin to mine from Joe. I also bowled with him on the Monday and Tuesday Seniors bowling leagues. It was always fun to bowl with Joe. He always claimed that my bowling was a lot better than it actually was which made me very happy. I will miss him and his great smile. George Lee

“ Rest in Peace Joe. I have memories of the fun games we played with the other seniors from church.

“ Joe left many memories for those of us who grew up going to his motorcycle store, Bever's Marine and Cycle on SE Main. He was always patient and understanding when a group of kids would come by to just look at the latest offerings from Suzuki. You might get to ask him a question or see son, Wayne assembling the latest model. Never was he anything but respectful to us kids and allowed us the opportunity to stay as long as we wanted. Thank you for your kindness and guidance on how to interact with youngsters from a business standpoint. Godspeed.
