“ My condolences to the entire family. Though you don't know me, I am a cousin of Jeanne's and Dennis. I have not seen them in years, our family saw more of Jeanne, Aunt Maggie and Uncle Joe, that is how long it has been. Please let Jeanne know I am thinking of her.

“ I remember Dennis as a good friend at St Peters when we were real young, but we were closer in high school--involved in FFA and a shared love for fast Chevys. Sorry that we did not cross paths much the last 40 years, but I kept up with him through DeWayne Beagles. My prayers are with your family, as Dennis no longer needs our prayers.

“ My sincere condolences to Dennis' loving family. I was shocked to hear the news and deeply saddened; however, I am grateful and thankful he shared his fun personality with me while I lived in Roswell. Those cherished memories bring a smile to my face and a warmth to my heart. I pray God brings you much comfort during this difficult time.

“ Dennis was like a big brother to me. I will never forget when he took me to homecoming in his NOVA and he drove so fast, I thought we were going to crash into Chew Den. He loved his cars and going fast. He was always happy to stop and visit with his friends and he made lots of friends every where he went. He was truly one of a kind, a friend, a hero, and a blessing. He will be missed by all his family and friends. I hope he is waiting for me when I get to heaven so we can catch up, and have a cup of coffee. Rest up my friend, til we meet again.

“ Chris, Julie and family-please know that you are in my thoughts and prayers. Your dad loved you all very much and anytime I saw him he would have to tell me about each one of you. You have a lot of good memories and they will help you with the days to come. Take care!

“ Many days, for several years, Dennis would join the coffee clatch group at Daylight Donuts, to begin the day with laughter, sharing personal experiences, expressing our likes and dislikes with each other. I considered Dennis to be a good friend; a person who was down to earth, who enjoyed his children and wasn't bashful to let you know he loved them, and when talking about his grandchildren, he would swell with pride and a warm glow, a smile, and a short burst of laughter was always part of that expression of love. I will miss him!! He was a good mailman, farmer and friend.
