Miss Me -But Let Me Go

When I come to the end of the road
and the sun has set for me,

I want no rites in a gloom filled room

Why cry for a soul set free?

Miss me a little - but not too long
and not with your head bowed low,

Remember the love that we once shared

Miss me - But let me go.

For this journey that we all must take
and each must go alone,

It's all a part of the Master's plan
a step on the road to home.

When you are lonely and sick of heart
go to the friends we know,
and bury your sorrows in doing good deeds.

Miss me - But Let Me Go...
