“ Agnes and Adam, My sincere condolences, wish I were there, Im so so sorry for your loss. There are no words that one can even say to you in this type of situation. The poem was so beautiful, as was the picture of Joel. Be strong, the family has shown how strong it can be together. I wish both the best in getting through this death. From all of my family; and your family here in Albuquerque, Russell, Rachelle, Mary, C.J. Andrew and Gilbert, our prayers are with you and your family.....

“ Agnes,
My prayers are with you and your little angel- I am sorry that I couldn't bring my self to attend, as I lost my little angel 27 years ago this month- Sept. 28th. Your great- grandmother Patsy, which is my grandmother also,used to tell me- "that little angel will always be with you!"

“ *It seems like just the other day that I was watching you Joel and now you are up in heaven watching over us. I still remember when I first got to hold you! and OH MAN you were tiny! But I insisted in cuddling you anyways! Thats what always told your mommy and daddy! That I just couldnt wait to cuddle you!! But one thing I will never forget is that you had the MOST gorgeous eyes I have ever seen! You brought smiles to everyone who held you and you warmed up their hearts. I am going to miss you SOO much! To Adam and Agnes we guys were and always will be GREAT parents! Lil Joel was honored to have such a great mommy and daddy. I am sorry for your loss. I cant imagine how you feel but I do know that you both are loved by many people and they are here with you through this tough time! Even your little one Joel, who is your Guardian Angel! Just always know that I love you both very much!!!*
