Archie's tribute was written in his honor by his family.

"I'm Still With You

Please don't grieve now that I have left your side

There is a peaceful place where I now reside.

My life on earth is gone it's true

But always know that I'm still with you.

The joys I have, the love-filled days,

The happy moments, and many countless ways.

Friendships so special, happiness and sorrows

Make memories last and bring sunshine tomorrow

God called me sooner and thought why We do not know.

There is peace in knowing that it was time to go

Winds gently blow, and the sun shines thru Remember I am free and still with you."

“ Archie, I miss you so so much already.
I only wish I could see you just one more day.
I was just with you Sunday.. you, me, Louie, and Ray.
I'm so grateful to have spent that day with you.
Little did I know that would be the last time we would see you. :(
You always brightened up the room with your energy and humor.
Your laugh is something I will never forget!
Cowboys games will NEVER be the same without you cousin Arch.
I will never forget my first Cowboy's game at AT&T Stadium was
with you!!
I know you are in peace and in no more pain.
I bet you are with Uncle Manuel already... give my Grandpa Manuel
a big hug for me and tell him I love him so much. I can't believe you
aren't here.. it just doesn't seem real. The memories I have with you
I will cherish in my heart forever and ever.
Until we meet again.... I LOVE YOU COUSIN ARCHIE. Archuleta
forever. <3

“ My profound Condolences and Prayers for Rosa and all the family
and friends of John. Although we only met a couple of times,
undoubtedly, he was a kind and respectful man. My grandchildren
have shared their great memories of a good person. May The Most
Divine and Eternal Yahweh bless the soul of John Archuleta!

Thank you for always being that stand up guy, and a forever friend. Thank you for sharing a bit of your life with me. Fly high my friend.... you're free from your earthly binds.
