“ To my Beloved Husband, You are the Best of the Best. You are forever,have always been,and always will be the Love of my Life. I was blessed and honored to be your wife not once,but twice. They were all the best years of my life. I thankyou from the bottom of my heart for always providing and taking care of the girls and I. I thankyou for giving us great morals,structure,and a life of contentment and no chaos. Anyone of us could talk to you about everything and anything without judgement or questions. The memories that we have made together will remain mine and the girls's for the rest of our lives. You might be gone from our site. But you will never ever be gone from our thoughts and we will carry you in our hearts each and every day for the remainder of our lives. Thankyou so very much honey for being in our lives and sharing everyday with us and making each day so special for us. We will remember everyday how you greeted us when we spoke to you on the telephone. Doin'Good' I Love you,I miss you,and I always and forever will. Your Bea.
