“ Oh my goodness. This is heart-breaking. My parents, siblings, and I used to be John's neighbors on Hermosa. I remember this very sweet, well-mannered little boy knocking on our door on Saturday mornings wearing his PJ top, undies, and cowboy boots wanting to come in and watch Saturday morning cartoons. I've thought of him often over the years, wondering what he was doing as an adult. My condolences to his wife and children and to his sweet mama, Jan.

“ Ashley, so sorry for your loss. I remember our spring breaks and we always ended up in Albuquerque and met up at the parks. John was so good with the kids! They were good times and you two were so good with us and took pity on us being the "old" parents! The girls and I love you all!
