A faithful Servant of God always wanting to do more than anyone could; the fear of God was in him to honor the Lord in all things and to do for others. Johnny A Gonzales, 68, has won the race home on Saturday, November 25, 2017, he was born in Artesia, NM to Manuel Gonzales, Visalia, CA and the late Ramona Acosta.

Johnny had a love and compassion to God; his ideas were endless. With his wife and daughters, they worked on all these plans God gave him to get them accomplished.

Johnny could be found everywhere lifting people's spirits up with the word. Literally Thousands and thousands of prisoners heard the Gospel and many were born again because of his faithfulness and commitment to them.

Johnny is the founder of Prison Doors Ministry/Community Volunteer Program. He always listened to people, never left anyone out, and had a real passion for serving his community. This translated into years of volunteer service.

Johnny was well known and respected in the local community. He was a very

caring and compassionate person, who always put the needs of others before his own, always very giving and had a smile for everyone. A very descriptive story teller who was able to command anyone's attention and was a natural born leader.

He would sit with his Bible and write in his log book about the activities for the next day, and prepare his calendar for a year.

It was the simple things around him in life that he never took for granted, commenting daily how fortunate and thankful he was. Above all, Johnny was absolutely devoted to his wife, daughters, grandchildren and the community. He was a father who always encouraged his family to help others in need, no matter their situation and keep their eyes on God.

He respected and loved his wife unconditionally. He was a man of strong faith, believing in the power, strength of Jesus Christ's love and the beauty with peace that would await him after his passing. He was truly a legacy to his family, community, surrounding areas, and prisons. He will truly be missed by many.

Johnny is survived by his best friend, loving wife of 46 years, Mary, father, Manuel Gonzales of Visalia, CA, sister Angie Gonzales of Bakersfield, CA, brother Leo Gonzales, of Roswell. “ *Smile because he Lived
You can shed tears that he is gone,
or you can smile because he lived,
You can close your eyes and pray that he will
come back,
or you can open your eyes and see all that he has left.
Your heart can be empty because you can't see him,
or you can be full of the love that you shared,
You can turn your back on tomorrow and live yesterday,
or you can be happy for tomorrow because of yesterday.
You can remember him and only that he is gone,
or you can cherish his memory and let it live on.
You can cry and close your mind, be empty and turn back,
or you can do what he would want:
Smile, open your eyes, love and go on.*

“ *On behalf of friends back in El Paso, Tx we at Centro Vida members whom did prison ministry (The champion) with Johnny would llike to send Johnny Gonzalez family our deepest condolences and our prayers. I heard a song today that reminded me of him "I'll fly away o Lord". He was a truly devoted servant for God who was truly dedicated to the Lord's work. Until we meet again with the Lord Johnny. May Johnny's family get a hold of me. Soriacm61@gmail.com*

“ I was unsure as to whether I had a chance to sign this as when I went to the Anderson-Bethany, no book was available to sign. God's blessings to a good man. He as a patient and a man we always ran into gathering funds for doing God's work. He atoned for his past and the good Lord has a special place for him. Love, Jena Amaral

“ What can I say , but one of the greatest men of God that I've known, he will surely be missed , he did so much for the public , Ministry, and so much in the prisons, I don't know anyone else in Roswell that has done as much work for the Lord as brother Johnny, I thank God for brother Johnny, in 1989 he pushed me to preach in the tent for the first time, I didn't like the way he was so very aggressive ,lol, but now I thank God the way he was , cuz he was led by God to push us out of the "box " ,many went to prisons to minister because Johnny was the one that open many doors to prisons ministries and now I've been ministering there over 480 times in the last 20 years , such a small man with such a big big vision ,a man of God that would not stop but pushed through many obstacles of life , a great role model to many that knew his life ,,"Thank You Lord for Brother Johnny"
