Tomorrow Starts Without Me

When tomorrow starts without me,
and I'm not here to see,
if the sun should rise and find your
eyes filled with tears for me.

I wish so much you wouldn't cry,
the way you did today,
while thinking of the many things,
we didn't get to say.

I know how much you love me,
as much as I love you,

and each time you think of me,
I know you'll miss me too.
When tomorrow starts without me,
don't think we're far apart,
for every time you think of me,
I'm right there in your heart.

“ Juju, we had some good visits, I miss your phone calls... telling me Hey, Hey, what's happening ... that was your conversation as soon as I answered my phone or telling me Tia Kathy I don't feel good today, so I'd pray for you to get better. "Juju" you gained your wings and you're at peace now with your brother, Billy and your Mom and Dad they were so happy to see you. We all enjoyed the visits we had with you in Albuquerque at the hospital and the nursing home, we took you your snacks that you enjoyed so much and enjoyed our family time together and we were blessed to be there with you. Good memories we carry in our hearts. It's not a goodbye JuJu , it's a see you later, much love, your Tia Kathy and Tio Willie. "Rest in Peace"
