

Jolene Louise Henington

November 7, 1933 - August 29, 2020

Jolene Louise Henington, age 86, passed away peacefully on Saturday, August 29, 2020, at the Beehive in Roswell, NM, where she resided. Please take a moment and share a kind thought or memory with Jolene's family at www.andersonbethany.com.

On November 7, 1933, Jolene was born in Breckinridge, TX, to George and Irene Beadle. She graduated from Artesia High School in 1952. Jolene received her Bachelor's Degree in English and Psychology from ENMU-P. She obtained a Master's Degree in Counseling and Psychology, later earning an Educational Specialist Degree to become a Certified Educational Diagnostician, all while raising her four children independently. After college, Jolene worked as a teacher, counselor, and diagnostician for the Roswell schools. Next, she went on to become the Director of Special Education for the Dexter schools. After retirement, Jolene worked as an independent diagnostician and taught Psychology at ENMU-R, making Jolene an accomplished woman in her day, which she prided herself on.

Jolene loved her family and wanted the best for each of them. She instilled the love of dancing and singing into her children and grandchildren. She was an avid sports fan and spent many hours living vicariously through her grandchildren by cheering from the stands at their ball games. Jolene loved to travel, fish, and spent lots of time at the lake with family. She taught her

granddaughters that being a woman is not a limitation, not to be afraid to work hard and carve your own path in life.

Jolene was preceded in death by her parents, George and Irene Beadle; brothers: Barry and Buddy; as well as her son, Tracy.

Jolene is survived by her brother Larry, two sons, one daughter, eight grandchildren, and eighteen great-grandchildren.

A special thank you to Beehive Homes for the love and care they gave to Jolene in her final years. A private family service will be held at a later date.

“ *We are so saddened by your loss... of your mom, your friend, and the grandmother to your children. It was very evident how devoted you were to her. She was a proud, loving, and devoted mother, grandmother, and friend.*

What an impressive biography she had, and we are sure that you are proud of the legacy of hard work, independence, love, and caring that she has left. We know she was a real inspiration to her family... her successful career in education after earning so many degrees while raising a family on her own. She was always surrounded by your love.

We are saddened by the loss of a dear friend. Over the many years of our friendship, we grew to love her and value her friendship. She was the rare combination of a good friend, coworker, and business partner.

May your memories of her and the good times you shared remain with you and your family always, and may those memories console you in the years to come. Please know that you and all of your family, as well as your mom, will remain in our hearts, in our thoughts, and in our prayers.

*Fondly,
Tony and Jennie Ortiz*

BP

“ Mike, Kevin and Sherrie,

My siblings in childhood. What a ride we had! I remember at a very young age getting my mouth washed out with soap by Jolene. I can't imagine that I would ever need my mouth washed out but she sure did - LOL!

I'll never forget that beautiful smile, how it could light up a room. Praying His peace that passes all understanding guard your hearts and mind during this time.

I loved your momma and I love you each one.
