“ *I am so sorry for your loss. Jorge is one of the sweetest people I've known. He was in my daughter Sarah's class in 5th grade. He had the sweetest spirit. I think about him very often. I was talking about him and Sarah told me he passed away. It just breaks my heart for you. There is no doubt that he is in heaven with God right now. I am praying for God to fill all of you with His peace that surpasses ALL understanding.*

“ Jorge was a wonderful student of mine in Sierra Middle School. I will miss his smile most of all. He had a great smile and happy attitude. He loved his mother a lot. He would always talk to me about her. He made me laugh a great deal. He would like to talk to me after class all the time. Students like Jorge make teaching special. I still remember where he would sit in my classroom and always sit sideways with his head tilted when he would say something funny to me. "Te voy a extranar mucho Jorge que dios te tenga en le cielo porque eres un angel"

“ Jorge was a good friend of mine, we had band class together at Sierra Middle School. We played the same instrument, and sat next to each other in class. Jorge was a year behind me, grade wise. He was always so bright and fun to be around; always smiling and laughing and making jokes. He use to joke around with me in class and at lunch with our friends. I will miss Jorge tremendously, he was a wonderful person, and he will forever be in my heart. I send my condolences to your family. I'm so sorry for your loss.
