~From Here On Up~

"When the day is ending and the sunset is near,  
Remember not the pain or heartache or tears.

Remember my laugh and how my eyes smiled too,  
Remember the good times I did have with you.  
No need to cry, my mind is at ease.  
No need to worry, now that I'm at peace.  
Just know I'll protect you, I'm still by your side...  
Even though you can't see me, I'm very much alive.  
Now go on with life and remember when  
Things get too tough, that I got you covered,  
From Here On Up!"
