To Those I Love And Those Who Love Me While I am gone release me, let me go. I have so many things to see and do. You mustn't tie yourself to me with tears. Be happy that we had so many beautiful years. I gave to you my love. You can only guess How much you gave to me in happiness. I thank you for the love you each have shown. But now it's time I traveled on alone. To grieve for me a while if grieve you must. Then let your grief be comforted by trust, It's only a while that we must part, To bless the memories within your heart. I won't be far away, for life goes on, So if you need me, call and I will come, Though you can't see or touch me, I'll be near. And if you listen with your heart, You'll hear all my love around you soft and clear, And then when you must come this way alone, I'll greet you with a smile and say...

“ *My dearest nephew,  
A thousand times we needed you a thousand times we cried if love alone could have saved you; you never would have died... a heart of gold stopped beating two loving eyes closed to rest God broke our hearts to prove he only took the best.. never a day will go by that you're not in our hearts. Go rest now precious one, for your life in eternity has just begun. This is so very hard, but it will be okay, it isn't quite goodbye we'll see you yet someday. We all love you and we'll miss you and at times it will be tough but as with everything that happens in life, Gods grace will be enough.  
We will never forget your deep dimples and beautiful smile... You will always live in our hearts...We love you now and forever....*
