“ We lived in Lake Arthur for awhile with my grandmother when we were young. I am one of Ignacia's daughter's, Maria Elena Romero Rodriguez. The memories I have of Efrain were that every time I saw him, he was always smiling & he was just always so nice and friendly to us. We moved, and my next memories were that of my sister Emily and him playing guitars and singing, and laughing.

We never kept in touch ourselves, being younger, but hopefully now we can get to know his beautiful daughter and her family and hopefully in sharing some of these little memories it will bring a little comfort.
