On March 24, 1945, Jose Benito Romero was born to Alejandro and Amalia Romero in Artesia, NM. Benito lived with his family in Lake Arthur which included his four brothers and five sisters. The Romero family moved to Roswell where Jose Benito had a wit about him like no other and had a heart of gold, never hesitating to help people out as much as he could. His nieces and nephews adored him along with the children of his friends. He was known for his friendliness and never hesitated to let people know that he loved them. Uncle Ben loved food, especially when it was shared by his family and friends. His sense of humor was second to none and he was as compassionate as he was funny. Being humbly social was a special gift upon which Ben was bestowed; those around him were drawn to his infectious and funny personality. Selflessness and generosity were two traits that highlighted his

personality. Ben touched the lives of so many people. He loved his Lord and Savior with all his heart and all his soul.

Those left to eternally treasure and cherish memories of Jose Benito Romero are his siblings: Erminia Romero of Roswell, NM, Vicki Romero of Artesia, NM, Elisa Marquez of Artesia, NM, Jessie and Rosa Vasquez of Bel Gardens, CA, Eloytta Hernandez of Carlsbad, NM, Adan and Priscilla Romero of Roswell, NM, George and Virgie Romero of Dexter, NM and numerous nieces and nephews.

“ *My uncle Ben, you are dearly loved and sorely missed. You hold a special place in all our hearts, each one of us has our own story, but you were in every one, in some shape or form. You had such a sweet spirit, and I loved seeing your smile and hearing your little laugh. You were always there, and such a joy to be around. You had a big presence in our family.*

I am able to drive a stick shift today because of you. You gave me my wings at age 14. I remember looking forward to seeing you drive up in your little blue Subaru and taking me to drive around the store parking lots, we had so much fun teaching and learning to drive, we laughed so hard and in the end I was driving around the streets of town. I was able to take my driving test in my mom's little red standard Chevy. Passed with flying colors, thank you for doing that for me.

My heart hurts, but I pray we'll see you again. Thank you Lord for the gift of such a special person I had the privilege to call my uncle. You'll always be remembered, enjoy the beauty of paradise. Forever in my heart, Diana
