“ *To my dear Uncle Joe, you will be missed. So many memories of you when I was a child and as an adult. You always brought a smile to my face and could always say something that would make me laugh. One of my favorite memories was getting to your apartment in NJ and playing with the Magic 8 ball. Love you always. May God watch over you eternally. Your niece Janet.*

“ *My memories of Joe. . . I am also a parishoner at St. Peter's. I used to call Joseph "my old man, Joe". He was always so sweet to me. When my husband and I got married Joe was there to celebrate with us. He told my husband, "You know if she were older, or I was younger, she'd be mine"! We all had a laugh at that one (the year was 2001 and I was barely 21). I remember taking Joe cookies (no sugar of course), and sendig him in my yearly family newsletter every December. He even saw my girls grow & would comment on how big and beautiful they were getting. He'd say "They sure take after their mama". He knew how to make me smile. Every time I'd see Joe he'd give me a kiss on the cheek. He will be greatly missed. May God reward him abundantly in Heaven. Peace be with you, Joe!*
