A Letter from Heaven

When tomorrow starts without me,

And I'm not here to see.

If the sun should rise and find your eyes,

Filled with tears for me.

I wish so much you wouldn't cry,

The way you did today,

While thinking of the many things,

We didn't get to say.

I know how much you love me,

As much as I love you,
And each time you think of me,
I know you'll miss me too.
When tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right there in your heart.

“ *Helen, Angela and family, May the Lord give you the strength you need right now. Joseph was a young man whom I adored. He was such a respectful young man, he really became one of my favorite young boys to get attached too. I love him very much. Helen and Angela, call if you need anything. Love you.*
