“ My prayers and my love go out to you.I might not be able to go to the services unless somebody can relieve me at work.I feel sure Tia is with God and she is very happy.God needed her for his Angel and An Angel she was here on earth. So try to be happy for her. Right now I understand it is hard for you.and it takes time but that time will come. Greive for her because it is only natural to greive for your loved one. but with time it will heal.Just have faith in God and he will heal your wounds. I love you all very much. God Bless you Alice Varela and Pat Sanchez
