A family graveside service is planned at South Park Cemetery where she will be laid to rest with Mom and Dad. A very special thank you to all the Nursing

Staff at Casa Maria Health Care Center. An eternal thanks to Josephine's many neighbors and special friends at Sunset Apartments that checked on her daily.

God Saw You Were Getting Tired

God saw you were getting tired, and a cure was not to be.

So, he put his arms around you and whispered, "Come with Me".

With tearful eyes we watched you suffer and saw you fade away.

Although we loved you dearly, we could not make you stay.

A golden heart stopped beating, hardworking hands to rest.

God broke our hearts to prove to us He Only takes the best. (Author unknown)

We love you sister! Vaya Con Dios!

“Joseph, I used to take care of her in the evenings through comfort keepers. She was a very happy person easy to get along with we had good times together. I really look forward to seeing her every day until she was put in Casa Maria. When a couple of times to see her she would have a big smile on her face when she would hear my voice. It's going to be missed rest in peace.
