His Journey's Just Begun
"Don't think of him as gone away
His journey's just begun,
Life holds so many facets
This earth is only one.

Just think of him as resting
From the sorrows and the tears
In a place of warmth and comfort
Where there are no days and years.

Think of how he must be wishing
That we could know today
How nothing but our sadness
Can really pass away.

And think of him as living

In the hearts of those he touched...

For nothing loved is ever lost

And he was loved so much".

“ I drove past the Bucs stadium this morning and I thought about Josh. Josh was one of the few other TB Bucs fans at Roswell High School! I will carry that with me and remember him.
