“ *We share in your sorrow and send our heartfelt condolences for the loss of your father. May his memory bring you comfort in these difficult times. Please know that our thoughts and prayers are with you and your family in this time and we pray this prayer for all of you at this time.*

*Dear Heavenly Father, please place your loving arms around to comfort this family in their period of need right now. Lord we ask that you look out for, protect, and pull this family and our friends into your loving arms and hold them close in the time they need it most especially when it feels like they can't bear or go on. Father, we ask you to help bring them a great understanding and provide a deeper love for you as they navigate this part of their journey. Lord, we ask that you bring each of them complete healing in their minds, hearts, bodies, and souls. We ask that you protect each of them, for you to alleviate their heartbreak, grief, and sadness, and we beg for you to calm the storm that has surrounded them and may feel never-ending to them at this time. We beg you to Heal them, Lord, like only you can heal. In Jesus' name. Amen*
