“ *Juan my best of friends.*

Still can't wrap the fact you are no longer with us. Thank You for the memories and great times. The trip to Mexico is one I'll hold closer to my heart. You were always a great spirited, happy and always giving no matter what you didn't have, you always gave to others and in good faith knowing you wouldn't get it back in return. May Our good lord wrap his arms around you and comfort you. The Mexico trip, the beaches and wild fun times is what I'll remember most of you my brother, until we meet again. Look down in the family and guide those that loved you dearly and will miss you the most. It's not good bye my brother, til we meet again!
