“ *My sincerest condolences to Juan's family. I apologize for not mentioning that in my other message. My mind is just all over the place with this so I hope you understand.*

“ *Well... I dont know where to start. Although I never met my brother Juan, I felt a sense of loss today. Like I missed out, because anybody I ever talked to always said what a good person he was. I found it amazing that people would approach me and ask if I knew him because he was asking about me, that he would even be interested or even cross his mind. Even now I feel honored by him, and his family that I would be mentioned as his brother in his passing. To think we were here in the same town this whole time and didnt know it... I would like if any of his family would like to contact me via email.*

“ To the family of Juan Jr. I went to school with him and he was a very good friend, so sorry for your loss. He may be gone but never forgotten especially for his craziness and laughter.

“ I'M FREE

Don't grieve for me, for now I'm free. I'm following the path God laid, you see. I took His hand when I heard him call. ... I turned around and left it all. I could not stay another day, To laugh, to love, to work or play. Tasks left undone must stay that way,I've found the peace on a sunny day.

If my parting has left a void, Then fill it with remembered joys. A family shared, a laugh, a kiss, Oh yes, these things, I too, will miss. Be not burdened with times of sorrow,I wish you the sunshine of tomorrow.

My life's been full, I savored much,Good friends, good times, a loved one's touch.

Perhaps my time seemed all too brief.Don't lengthen it now with undue grief.

Lift up your hearts and peace to thee. God wanted me now; He set me free.

RIP
