“ *To my Tio Johnnie,
I'm still in shock over your passing. My dad and I were talking about you coming in February. We were so excited and looking forward to you coming to visit. Now, we only have memories to carry us through this. Tio, I know you're in a better place and I know you're with my mom. I bet she is there taking care of you and loving you up. She loved you so much. Thank you for taking care of my dad when he was there with you. I miss and love you tio. May you rest in peace. To the family, our sympathy and prayers to all of you. Please keep in touch with us. We love you all.*

“ To my baby brother,
Just the day before you passed we talked about you coming to visit me. I was so excited and looking forward to you staying with me. Then, I received the news that you passed. I'm still in disbelief and know you're in a better place but my heart can't still believe you're gone. Thank you for taking care of me and for being "my little brother". I know you're at peace and you're resting. I will forever hold your memory in my heart. I love and miss you so much. My sympathy and prayers to the kids and the entire family.

“ Please accept our deepest sympathies for your loss of your Juan. He was always a gracious and respectful man to us and our family. He had the best way about him, a smile that was infectious and always a joke on hand. The best part of knowing him was his friendship with our son Ty. He was not only a best friend but Ty's brother. Thank you Johnny for loving him. We know that a spark has gone out of him with your passing. You will be dearly, dearly missed by Ty, your family and friends.
