“ *Juan you truly will be missed around here. Your unexpected comments to make us smile and laugh and your way of making me feel guilty for getting mad at you is a plus. Your crazy comments to change the music and your Jeopardy round on artist will never be forgotten. You were truly a great person with an unexpected witty sense of humor. I will miss you lots and I hope you fly high with your mom and dad my friend. Blessings to your family for healing and strength to carry on. Rest easy my friend, until we meet again.*

“ *Those we love truly never leave us. There are things that death cannot touch and that is fond memories. Spending my childhood summers on the farm with you and the rest of the family were priceless childhood memories that I will always cherish and never forget. Juan, you will be deeply missed but never forgotten. Our family has lost a beautiful person but heaven has gained another Angel. May you rest in peace with your mom and dad. Love you "Primo"*
