“ To the Morales Family, I was sad to hear the passing of such a great lady, my prayers are with all of you. I was in Dexter in 2015-2016 and worked another year and I happen to see Mrs. Morales walking on Butler street. I had to stop and visit with her, and I still found her to be a kind soul and good word for all and as pleasant as always. I got to know her thru my years of working in Dexter, and that family was one of the best. "Moonie" and the rest of the family you all can say you were blessed with such a wonderful parents, and may god bless you all, and help you thru this difficult time. Our prayer and thoughts are with you all.

I'm so sorry for your loss. This lady was the most kind, generous, caring, loving and thoughtful person. She was always willing to help others. She always supported the Hagerman/Dexter J.O.Y. Center. We all love her. I could always count on her support with anything that may come up. May she rest in peace. Sincerely, Dora

Juanita entered my life when I was 18 years old. She taught me how to cook real Mexican food. As well as how to speak Spanish. There were many things this wonderful lady taught me during my time with her. She was a funny, loving, and joyful person. Thank you so much for taking me in and treating me like a daughter. I will never forget you.
