“ *Judy was such a light in my life. She always made me laugh when she would come into the Girl Scout office. She was a dedicated troop leader and volunteer for Girl Scouts and she was a positive impact on the lives of so many girls. I am thankful to have known her and had the opportunity to learn from her.*

“ *I feel another light has gone out in the darkness of this world, but what we lose, heaven has gained. Having been Sister Judy's pastor for the greater part of 15 years, I can attest to the fact that she was one of the most loving, caring, and humble persons which I was privileged to know. Sis Judy truly loved the Lord and was an example and inspiration to all who knew her. Her memory will live in the hearts of family and friends until that great reunion day when our Lord and Savior, Jesus Christ, shall gather us all home to live with Him for all eternity! We love and miss you very much.*

“ *We lost a great Christian prayer warrior, church member of CornerStone Missionary Baptist Church and family friend. Ms Judy was always there for my family and church when ever she could be there. She became very close to me and my husband when we moved to Roswell. I'm going to miss my friend and pal that I hung out with. Love you and now you are out of pain and with your husband, mom and dad. Enjoy the streets of gold Philippians 1:3*
