Hang It On The Cross

If you have a secret sorrow, A burden or a loss, An aching need for healing...

Hang It On The Cross.

If worry steals your sleep And makes you turn and toss, If your heart is feeling heavy... Hang It On the Cross

Every obstacle to faith Or doubt you come across Every prayer unanswered...

Hang It On The Cross.

For Christ has borne our brokenness And dearly paid the cost To turn our trials to triumph... Hanging On The Cross.

“ *I remember the caring feeling we got when we went to make arrangements for my brother Jose Angel Ortiz whom passed in 2003. We have had several people ask where can we go in our time of need and we always refer them to this caring and professional place. You make us feel so comforted. We feel you are not in this for the business but for the people. our condolences go out to the entire Bethany Family.*

“ Judy was truly a friend to everyone! Once you met her, it was as if you had always known her. She helped me through the difficult time of my dad's death (James Shorter), always with a smile and words of comfort. I will be forever grateful for her kindness. We were glad that we entrusted our loved one to Anderson Bethany. My mother was particularly touched by the gift of ham and bread. Darrel, may God comfort you and your family during this time of sudden and terrible loss. Know that Judy touched and made a difference in the lives of many people and we all share in your loss! She loved and was loved by many!

“ We are saddened buy the loss of a great person and friend. Our family will never forget the time we were stranded in Tatem, NM, with no luggage, around 8pm Christmas evening approx. five years ago when Roswell had a bad snow storm. God blessed us with the true meaning of Christmas when he placed Darrel and Judy in our path and they took us home to Jason and Melissa's for the night. We will never forget the love that this family has shown to us. We are thankful to have known Judy, as well as, the rest of her family. We will deeply miss her. We love you! You will always be in our hearts.

“ It's been a very long time since I have seen or heard any news of Judy (or her sister, Carol) -- but I have some photos from my childhood (my 4th birthday) that Judy & Carol are in. I would like to share them with your family but don't know how to send them as an attachment to you. If you email me, I can email them back to you. My grandparents were Dan & Alice Crawford of Okmulgee, Judy & Carol were their neighbors & we played with them lots when we were kids. I know you have helped so many other families through the hardest day of their lives, now those same people will hold your family up. “ I want to share a story. Early this summer, my daughter Alexis, went to visit her grandma and poppy. While she was there Judy and Darrel happened through. Judy took my daughter shopping that afternoon and spoiled her with Hannah Montana stuff. I had a very excited little girl. She had just spent the afternoon with her daddy's aunt Judy. This is a memory my daughter will always have, as I will. School started this week. What do you think my little girl wore to school? Thank you Aunt Judy... Thank you for being you! “ I will always have the fond memories of our family outings. All the aunts, uncles and cousins camping, family picnics, easter egg hunts and New Year's parties. Not many people have the opportunity to grow up with most of their family in the same town. Even though the years have gone by and we have scattered, there has always been a special love for our entire family. Judy was an integral part of that and will be missed by all of us. “*Judy influenced many parents, teachers, and most importantly students at the Intermediate School in Denver City, Texas. We were very blessed to have her in our life. I will always remember her smile, wonderful laugh, and intense love of people. I will miss her but I know she is now a special angel watching over us from heaven. I am praying for Darrel, Shawn, Jason, Melissa, Christy, her grandchildren, Carol and all her family. She has been such a blessing in my life and I have been so privileged to have known her. Love to Judy's family, Brenda and Jimmy Massey*
