“ *Judy and I grew up together. Every time I saw her she would always say we were 34th cousins. Missed seeing her and Daryl after they moved out west. We spent a lot of time at each others houses and at Grandama Ednas when we were growing up. Prayers to Daryl and the rest of her family*

“ *Judy grew up in our neighborhood in Dola,OH. Even after she was married and moved away, she would still come back and visit my grandma, Edna, and my parents, Buck and Mary. I have many memories of Judy. She always had a smile! The family will be in our thoughts and prayers...Donny and Cheryl Paugh*

“ *My heart is so saddened to hear of Judy's passing. She was my best friend from the third grade through high school and she was the maid of honor in my wedding. So many wonderful memories.*
