“ *As we come so close to one-year nothing has faded. You are present always; in the legacy of your boys, the love of your grandchildren and in our memories. We think of you often, we talk of you more and we love you Always.*

Joby Chavez (babas)

p.s. love you grandma and I miss you but I'm so glad you're with Jesus because He loves you more than anything and I know he is taking good care of you. And I hope you heard me sing happy birthday to you.

“ *I'm so sad and sorry to hear about the loss of Julie. She was truly a beautiful person inside and out. Ever since arriving in Roswell in 1997 she offered my parents and I a sincere and honest friendship! Was always there for us as we were there for her when she needed a helping hand. We will always remember her, love her and cherish the beautiful memories we had together. God bless, her family, Joseph, Adam and Jason whom were also always generous and friendly to our family.*
