“ Sis, I saw pictures of your house today, man you would be proud of Robert he did a great job of picking one out for the two of you. It is just beautiful! I just wish you were here to finally see it happen. I miss you so much that some days I just don't know what to do without you. I know I am just being selfish, Sorry! In my heart I know you are in a better place.

I wanted you to know that Jashua took care of his business with the Army... He is a free man and does not have to look back over his shoulder anymore. I am very proud of him for taking care of his business.

Chris's Uncle Robert passed away in September. That was hard on our family too... Loosing two very important people so close together.

Shy is doing good, she is a typical pre-teen. Doing good in school and making lots of friends still. She really likes it here in Rock Springs.

I have been loosing weight too... I have lost 18lbs in six weeks and going strong... Mom has been my cheerleader... You would be surprised to know we have been talking almost everyday and growing closer... I guess good things can come out of bad things! WEll enough wois me, I love you always and forever. Sis

“ My sympathy is with you. I will tell you though my late husband has a guest book like this and it has meant alot to me. He has been gone over 3 years and I still write in it to him. I did just today to let him know of Julie's passing (he went to school with her in Peoria, AZ). It just helps to get it out sometimes!! Plus everyone else has written in it and to read some of the stuff Joe used to do puts a smile on my face!! You are all in my thoughts and prayers in this tough time. She was so wonderful!!!! I only got to talk to her through email and phone but she was a wonderful person and will be greatly missed!!!
