“ Hello Pastor Troy and family. I am sorry for your loss. I never had the pleasure of meeting Julie, but heard such good things. I only saw her from a distance in the service. She will be welcomed and celebrated. God comfort this family and the congregation and her friends.

“ Julie was such a good woman of God. Every time I walked into church, she always made me feel welcomed and special. Her smile lit up a room. I know when Julie arrived in Heaven, God told her job well done, my faithful servant. I miss but will continue to live the Christian life and live like Jesus so I can see her again in heaven.

“ Dearest Pastor Troy and Family
I send my heart felt sympathy for the temporary separation of your beloved Julie from the family. Although I did not know Julie as well as I did you I knew of your love for her and her love for you. May our Lord Jesus comfort your heart every single day you're absent from her until you are reunited at our Savior's return. I believe his return is eminent as the signs of this world are so prevalent at this time. May God keep and bless you.

“ I recently had the pleasure of getting to know Julie over the phone. She was working with our company to set up a service for the church. She shared her struggles with a recent surgery but kept up a beautiful gentle spirit as she was going through recovery. When we spoke she many times said she was in bed but working through it. I didn't know the depth of her health and she didn't tell me everything she was battling. I was so blessed by each and every one of our conversations. She uplifted me when we spoke and always told me how I made her day by helping make the process with our company easy for her to get through the information.

I'm thankful for the short term that we got to connect. I was blessed to have the conversations with Julie that I did. My prayers for peace and comfort to Julie's family.
