“ On Behalf of my family los Lujanes de Roswell. I send my Condolences for the loss of Tino. When Tino first arrived in Roswell around 1969. My Mother Elvira gave Tino as well as Jose Luis Losoya, and Kalin a place to stay food to eat. They were Musicos. I thought of them as my Tios. They were always kind to my siblings and I. As poor as we were we welcomed them into our home. May Tino rest in peace. He is now with his First wife Lina who loved and cared for him so much, Jose Luis, my Mom Elvira and the rest of his family who have passed. Peace be with all who loved Tino. Signed Teresa Lujan Rivera y familia.

“ To Rebecca, Deigo, Carlos, and Anthony, you guys know you have always been family to us. We watched you guys grow-up and now time is going so fast but I want you guys to know that we have you guys in prayer. And your dad is going to really be missed but we will have to always remember that God is the one that will give you peace and help when your heart is heavy. And that he will be there always and God will never change. And he will never leave you guys or forsake you guys. Hold on to God's unchanging hands. I love you guys much.
