“ *Kameca was a life saver for me! When I first got my own place here in Roswell, she used to give me a ride to work! She never accepted money for gas and was always so sweet about it. And when Quentin would break or lose his glasses, I always made sure he got another pair asap. I'm so sorry to know you are no longer with us. Prayers to her children and family.*

“ *Kameca was such a wonderful person to be around. I met Kameca in 7th grade, and we had at least one class together until we graduated from high school. She was always so nice and funny, and she made a nerd like me feel comfortable in my own skin. I will always remember her laugh and smile. Farewell my friend and may you rest in peace.*
