“ *Kat was more than my best friend. She took a place im my life as a big sister. A few years before I met Kat I had been praying for Jesus to send my a girl whom I could become close with and take a place in my life as a big sister. After a few years of earnestly praying for a big sister, Jesus sent Kat, Brooklynn, Victoria, and Lori into my life. Kat and I loved to shoot archery, listen to music, and talk about anything and everything. I was so blessed to have Kat in my life for the few years the Lord allowed us to be together. I will certainly miss Kat and Brooklynn, but I have the confidence, hope, and reassurance that I will see both girls in Heaven. I love you Kat! I am here for Kat's family if they need anything! I am praying for you all!*

“ *Kat was so kind and gentle. She was sweet, peaceful, and hard working...there was an internal strength about her. She had an undeniable gift with animals. I remember when Kat took in several half-wild juvenile domestic bunnies -- in minutes they were letting her pet and hold them. She was beautiful young lady that will be greatly missed.*
