“ To all those who knew and know the spirit of Ms. Kathy.
Meet Ms. Kathy through a Friend called an Ex-spouse, Mr. R.Sherwood which he cordially introduced her to me. The first impression, was that she was resourceful and her ability to make and keep friends was evident. Mr. Sherwood took care of Ms. Kathy during the course of being a Comfort-Keeper and married her out of Pity, yet in the long run. It was evident that Mr. Sherwood cared about the elderly. What has past, has been the Diabetic Condition that plagues those who have a genetic septa of the condition or have not taking care of the health once they have been diagnose with the condition.

Prayer for all those who still deal with Diabetic Condition. Know how to follow proper eating habits and reduce the amount of stress in Life by Laughing at Stress. Count Your Blessings.

Know that you are Alone in sharing thee Grief. The Lord Jesus Christ, the who never leaves, nor forsakes us.

Faithfully a Person who Knew the Spirit of Ms. Kathy,
Mr. Victor
