“ I am so devastated. We lost touch back in 1997. I cannot believe she is gone. As a teenager she was my closest friend. I am so glad that I got to see her and meet Artemus when I lived in Colorado. Artemus, Dr. B and Vanesa I wish I could have been there for you. I will carry all of you in my heart forever. I am here is you ever need me. BBurris58@gmail.com

“ I was very sorry to see that Kathy had passed, though I did not really know her other than from having worked at the City of Roswell the same time she did - a nod and a "How's it going?" while passing between buildings or the parking lot. I remember often seeing her sitting reading papers at the top of the outside stairs of the annex building. She always left a pleasant impression and had a great smile. Condolences to her family and friends.
