“ *I cannot express the sadness in my heart for the loss of this wonderful, understanding, beautifully tough like a sister of a woman. Katrina, I knew her as Trina for short, we were friends apart from watching my baby sister and her children grow up together and how close of a second family that my baby sister Ashlee had encountered was a breath of fresh air and how giving Trina was and how supportive she was! I cannot express the sorrow I feel and how much my family will miss her. May the Lord bless and watch over her family and remember that Katrina is and always be here in our hearts! Missy and Sticker and the boys we are thinking of you always!!!! Katrina will be missed greatly!! We love you!!!*

“ *Hey Sissy, Sticker, and bro's... Despite not being blood related you're all in my heart; you're my second family. Trina was like a second mom to me, and I'm devastated that she's gone.. it just seems too unreal. Well, you all know where to find me... I love you all. xoxo*
