“ I didn't see Katy's obit until today. She was a one of a kind woman. Sure was glad she was my neighbor. I loved her keen wit and sharp sense of humor. She used to say that her mother taught her that regardless of what one was doing, you needed to find something to enjoy in the task. If you are going to hang laundry on the line, take the time to shake the stiffness out of it. She could make a tasty fried rabbit - one of Harvey's favorite dishes. And Roy, thank for getting me down off my roof. You all were the best neighbors I could have asked for. DeAnne
