“ *I will always remember the day, Kenneth Bresson, came in applied and joined the staff of George's Carpet and Tile. He became a key employee for many years. I personally admired his devotion to his wife, always considerate and loving. They were a true example of a husband and wife becoming as "one flesh". They shared everything. They were the epitome of good hospitality at their annual gatherings for friends. Good food and always interesting conversation. He will be missed very much.*
