Uncle Kenneth! We all miss you so much. And we are comforted to know that you are at peace and resting in our dear Heavenly Father s arms. You are most likely sitting around a table with Jerry, Judy, Grandpa, Mikey, Bobby, Danny Lynn, Judy Diane, Tammy, Gerald, Larry, Darrol, Bernie, John Blank, Grandma, Brittney, Lisa, Candys Twins, and the rest of your loved ones. That's a pretty big table! And one heck of a domino game! Rest in peace Uncle Kenneth. We all love and miss you. Love, your Neice, Ginger Blank

“ *I, Vicki G. Brown was married to Kenneth for 34 yrs. We were both in the hospital with Covid 19 at the same time. I didn't find out about his death for several weeks. Kenneth worked in the dairy business since 1961. He enjoyed working with the cows. He had many, many friends. Kenneth was a very kind and gentle man. Helping people out that he didn't even know. He would find something good in every situation . He is already greatly missed by all that knew him.*

“ *My condolences go out to his wife Vicki Brown aka "Gramma" & his children for their loss. I hadn't known Kenny & Gramma for as long as the rest of my family did but the short time I did , I can honestly say Kenneth was a very good , honest & hardworking man. He gave from his heart & would help anyone who needed help without no question, as long as he saw they were trying to help themselves*
