

Kenneth Spicer

February 18, 1964 - April 23, 2009

Kenneth Neal Spicer, 45, of Grand Junction, CO passed away April 23, 2009 in Denver, CO with the love of his family surrounding him.

Kenneth was born February 18, 1964 in Houston, TX to Winfred and Cynthia Spicer. He spent most of his childhood in Bakersfield, CA and Roswell, NM. He married Tamara Satterfield October 27, 1997 in Roswell. Kenneth followed in his father's footsteps and served his country in the United States Army from 1985 to 1989 in Bad Kissingen Germany and Colorado Springs, CO. During his enlistment he was promoted to Specialist E4, and received various awards including expert shooting badges. After his honorable discharge from the Army, he worked for TMC in Roswell, then became a truck driver for many years. He worked for Spicer Wireline services for the past several years in Bakersfield, CA, Roswell, NM, and Grand Junction, CO.

Kenneth was a fun loving, joking, person that could make anyone around him laugh, especially when he was with friends. He enjoyed camping with his family and especially enjoyed his "toys", which were his four-wheelers and dirt bikes. Nothing meant more to him than having his whole family together. He had a nickname for everyone he knew from Taco Lady to Bull Frog. He spent many hours restoring old trucks with his friends and family in his driveway and treasured his tools in his shop. He enjoyed having Star Trek and Rocky marathons and made whoever was around watch with him no matter how much they complained. He was a rocker at heart and enjoyed rock n' roll from the 80's and his own personal comedic songs he would come up with at the drop of a dime. The last concert he went to with his family was to watch Def Leppard, Foreigner, Styx and Chicago. He had a smile on his face the entire time and would have lived at concerts if he could. He enjoyed watching his kids play sports, especially football. He was a diehard Dallas Cowboys fan. Kenneth coached the Wild Things softball team with his good friend Frank Martinez to many championships. Every girl that passed through their team always held a special place in his heart. Kenneth was a strong, stubborn, light hearted, caring person that taught the people around him so much and he will be truly missed.

Kenneth is survived by his wife of the family home, his children: Kymberly of Roswell, Jonathan of Grand Junction, CO, Kyla of Grand Junction, CO, Joshua of Roswell and Jacob of Grand Junction, CO, and one grandchild Devin of Roswell. He is also survived by

his mother, Cindy of Roswell, his brothers; Bobby and his wife Elaine of Bakersfield, CA, Ricky and his wife Christina of Farmington, NM, and Jimmy and his wife Ginger of Bakersfield, CA, supportive family friend Rita, numerous nieces and nephews, extended family members, and special friends.

He was preceded in death by his father, Winfred and a brother Skipper.

Services will be held at 9 am Saturday, May 9, 2009 at South Park Cemetery.

Services are under the direction of Anderson-Bethany Funeral Home & Crematory.

“ *My long friend. Ken, I hope you doing well. There are days that I sit and think if all the Army Buddies I have had. The times we spent together I wil cherish. Riding around Germany in this big old M88. We were a great card team. We could beat anyone at card. There is so much that we did. Miss those days. Your family was the best. So sorry for loss. He was a great guy. We were good friends.*

“ *One year ago today my children lost the most important man in their lives, one who cannot ever be replaced. How I wish I could pick up the phone just to argue with him about their lives. They miss him so much*

“ *Tamara and family please know that you are in our prayers and we will be thinking of you. It is very true Kenneth had away of making you laugh. I still think back to the stories that he and Jeff would tell us as we would sit and eat dinner at your house while we watched The Eagles and he would have a smile on his face the whole time. We pray that The Lord will hold each and everyone of you close and comfort you during this time. May God Bless You with our Love and Thoughts. Jeff, Tonya, Tyler Naron*

“ Words can not describe the feelings I've been feeling these past few weeks. Its so hard to believe you are gone. You were an amazing person inside and out. I find myself going back to the day you made Kym, Jon, Brandon, and Heather eat the donuts out of the trashcan because of me. Or when you had us pulling hundreds of weeds just for lunch at McDonalds. You had a way with always making someone laugh no matter what your day was like or theres. You were taken away from us so soon. And only God knows why. I love you and miss you tons
Love always, Your neice Kristen
