“ *I was more than a little shocked to hear of Kent. Ive known him for many years. I have a few pictures of a cook out we went to, he had Ryan, and I had my son Dylan with me. He was a friend. He was a GREAT dad as I remember, a single father, when it was not so common. I remember when he first became interested in computers. I was in school learning about hardware, and the Microsoft Certified Professional certification was a new thing. He passed his test before I did! Kent is at a huge cook out in heaven, it was one of the things he did to relax. I hope to see him on the otherside, and be among my friends. God bless you. Ryan, you probably dont remember me, you were only about 6 or 7. I want to say your dad was a good man. I am sooo sorry for your loss.*

“ *One day we were having a cook out at the house and we did some a little extra fun for the kids. And it was not the 4th of July but we made it like it was a 4th of July that night. We always enjoyed doing things w/ the kids. We surely enjoyed when it was time for adult time. I will always remember our times together forever in my mind and my heart. I loved u like a brother. RIP Debra*

“ Knew Kent in high school. We used to ride motorcycles together as teens. Hadn't seen him in decades, but he was the nicest guy you could ever hope to meet and a true friend. Vaya con dios my old friend.

“ My profound condolences to Kelly and the whole Family.
I met Kent right-after his family moved here from California.
Kent, another friend, and I, would walk in the mornings to Sierra Middle School.
Most times, we would first listen to music with the always-cool, big-brother Kelly.
Sadly, I have not seen Kent in twenty-years.
May The True and Living Yahweh, bless the soul of Kent Scott!

“ Kent was a Sincere, Truthful, Honest , God fearing Man and Friend. I can't express how deeply saddened I am to hear of his loss.

*“True friends are the ones who never leave your heart, even if they leave your life for awhile. Even after years apart, you pick up with them right where you left off, and even if they die they're never dead in your heart.” Goodbyes are not forever. Goodbyes are not the end. They simply mean I'll miss you
Until we meet again! Rest in Peace my Friend !*

I know that no words can help ease the pain and loss that his family is feeling right now. You are in my every prayer and thought.

May the comfort of God help you during this difficult time.
