When tomorrow starts without me and I'm not there to see, if the sun should rise and find your eyes, all filled with tears for me I wish so much you wouldn't

cry the way you did today. While thinking of the many things we didn't get to say. I know how much you love me as much as I love you, and each time that you think of me. I know you'll miss me too, but when tomorrow starts without me please try to understand that an angel came and called my name and took me by the hand and said my place was ready. In heaven far above that I'd have to leave behind all those I dearly loved

We would like to thank everyone who donated, made plates & checked on us throughout this difficult time. A Big Thank You to Anderson Bethany. You are appreciated thank you all & God bless .

“ I was saddened to know you had passed. I met you when you were just a little kid, when I was working at the Sun Country convenience store. You were a good guy and it was a pleasure meeting you, your mom, your grandma. Rest in peace Kevin. 🥹
