Mommy please don't look so sad Mommy please don't cry Cause I am in the arms of Jesus and He sings me lullabies.

Please try not to question God Don't think He is unkind Don't think he sent me to you And then he changed his mind

You see, I am a special Child And I am needed up above I'm the special gift you gave him The product of your love

I'll always be there with you And watch the sky at night Find the brightest star that's gleaming That's my eyes shining bright

You'll see me in the morning frost That mists your windowpane That's me, in the summer showers I'll be dancing in the rain

When you feel a gentle breeze From a gentle wind that blows That's me! I'll be there Planting a kiss upon your nose

When you see a child playing And your heart feels a little tug That's me! I'll be there Giving your heart a hug

So, Mommy please don't look so sad Mommy don't you cry I'm in the arms of Jesus And He sings me lullabies
