“ *Oh, my Uncle Labo.....I can't find the words to say. There was never a time in my life when I needed help that you didn't come to save me! No matter if it was plumbing, a car problem, or anything in between.*

*You always brought so much laughter to my life when we got to visit, and I have memories I will cherish forever.*

*I know you are smile and laughing now, playing music for everyone we miss so much! Give everyone hugs and love from us and we will meet again.*
