My condolences to your family. Larry was my brother Albert's friend in High school. I remember Larry being a very nice guy.

“ *It is with much sadness i tell my family & friends that the Lord has called my brother Larry Larez home. It was a sad national siblings day for me. I want to apologize for making this announcement on FB but i just cant make all those calls. I choose this pic of Him (graduation) because i want to remember him this way. Who's to know why His journey of life went the route it did. But I respect that he graduated from High School and College and most of all took care of our grandmother along with my cousin Marina. That in itself was prob his life Accomplishment. Lots of memories of our growing up together, especially going to Ginsberg with him too get the latest albums. He loved music, played in St. Johns Choir, GHS Band, and a band w Darryl Carter. He was an avid Eastside Little League baseball player, last team I remember was the Kelly Oilers. I hope he his playing that Saxophone in Heaven He was amazing at that....Much love Brother💙#tillwemeetagain ##hugmyNanny*
