“ *I send my sincerest condolences to Larry's family. I had known Larry since I was a little girl when he was a member of "Los Cruiser's" Car Club with my dad and my uncle. He was always so friendly, no matter how much time had gone by that I hadn't seen him, always made it a point to stop and talk for a minute. I pray that God's peace envelops you and gives you the comfort that you need during this very difficult time where you have experienced such great loss over the last few months. Rest in Peace Larry.*

“ *My condolences to all of my friend Larry's family especially his children I know these passed few months have been very difficult for you, I can't even imagine what you're going through. I will pray to our father in heaven that he give you the peace you'll need to get over your loss may God Bless You. I didn't know your father very long but the time he was in my life I truly enjoyed our talks and laughing with him. I'll never listen to "Tu Eres La Reina De Mi Amor" the same way he had a good voice, he was charming for sure lol. He told me how important his children were to him and expressed that he'd be retiring by the end of the year so he could travel and see his grandson play ball. Well, the good lord had other plans for him, but you can rest assured that he is smiling down from heaven each time your son pitches that ball.*
