“ *I just found out about my cousin, Larry. I have good memories of Larry and wished I could have been in Roswell accompanying his parents who I know well. He enjoyed music and played the guitar well. When he was younger he was a good basketball player and play in Junior and High School. Larry rest in peace and my condolences to he parents and siblings. The two I know the best is Angela and Pina, may God comfort them along with other siblings. God Bless.*
