Fill not your heart with pain and sorrow, but remember me in every tomorrow. Remember the joy, the laughter, the smiles, I've only gone to rest a little while although my leaving causes pain and grief, my going has eased my hurt and given me relief. So, dry your eyes and remember me, not as I am now, but, as I used to be. Because I will remember you all and look on with a smile.

Understand, in your hearts, I've only gone to rest a little while. As long as I have the love of each of you, I can live my life in the hearts of all of you.

Please share your thoughts and memories with the family in the online register book at [andersonbethany.com](http://andersonbethany.com)

“ My deepest condolences to the familia. Larry will be deeply missed.  
When I would visit the house, he was always there to greet me with  
a warm smile and a great big hug.  
He lived life to the fullest and then some. Little did he know, or  
maybe he did know, he was a movie star. Larry is on the video from  
the 101 tour of Depeche Mode. There was three handsome dudes,  
guess who they were?  
Rachel, you don't remember me, but you were daddy's girl. He  
always spoke highly of you and he loves you very much.  
He may be gone but never forgotten. Larry, you have left a lasting  
memory, until we meet again on the other side Primo. I Love You.
